

OPERATIONS REPORT

April 2025

There was one Greater Alarm fire during this reporting period.

Summary

On April 5, 2025, at 1756 hours, Box 1634 was struck for a reported FIB at the intersection of Washington and Larkin Streets. After many phone calls, an updated address of 1664 Larkin Street was given. The corner fire building was a 4 Story Type 5 multi-unit residential building with entrances on both Washington and Larkin. Engine 41 arrived first on-scene and initially had fire showing from a 2nd floor unit on Washington Street. The fire unit was under construction resulting in rapid vertical fire spread in the fire building from the first floor to the attic space. In addition to the advanced fire upon arrival, topography and wind conditions contributed to fire spread with fire ultimately spreading to the Bravo Exposure, a 3 Story Type 5 multi-unit residential building. This incident required multiple alarms, coordinated command, and effective communications to effectively suppress this fire.

Sequence of Events

Engine 41 arrived first on-scene and declared a working fire with a fully involved 2nd floor unit on Washington Street. Fire began to auto expose to the floor above with wind pushing fire uphill towards the Bravo Exposure. A corrected address was given as 1664 Larkin Street, but access to 2nd floor units was from the Washington Street entrance. Engine 41 deployed a 150' ready line to the 2nd floor unit from Washington Street to extinguish the main body of fire. Truck 3 was the first arriving truck and laddered the fire building with their 100' aerial ladder to the roof and their 22' fire escape ladder to the

fire escape on Larkin. Truck 3 split their crew to assist occupants off the 2nd floor fire escape and perform a primary search.

Engine 2 and Engine 38 arrived on-scene at the same time, and both supplied Engine 41 from the low-pressure hydrants on Larkin and Washington Streets. Battalion 4 and Battalion 1 had a face-to-face transfer of command with Battalion 1 being made fire attack and Battalion 4 assuming command. Truck 2 parked in the intersection of Washington and Larkin Streets and was unable to clear the overhead wires for an aerial shot. Due to the advanced fire impinging on the Bravo exposure, Engine 38 and Truck 2 were directed to make a lead into Bravo and check for fire extension. Fire Attack (Battalion 1) made contact with Engine 41 on the 2nd floor and checked on fire conditions. Engine 2 was directed to make a 200' ready line lead to the floor above the fire.

Truck 3 Roof reported fire in the attic and fire spread to Bravo. At this time a Second Alarm was requested and Division 2 assumed command from Battalion 4. Fire Attack went to the top floor to check on conditions and the fire in the attic. Rescue Squad 1 and Truck 3 Interior performed primary search of the fire building and assisted two occupants out of the building who were attempting to shelter in place.

Fire Attack requested 2nd alarm companies to bring a large-line wye, ceiling hooks and attic extensions to the top floor to combat the fire in the attic. Division 2 directed Engine 1 to back down from Hyde Street to the fire building positioning themselves as a manifold should the fire grow in Bravo and spread to Bravo 2.

Safety Issues for Review

Company and Chief Officers must communicate significant findings on the interior of a structure. A building under construction must be relayed immediately.

Splitting of Truck Companies should be the exception, not the norm. Additional arriving Truck Companies must consider what tasks are being addressed by the first arriving Truck.

Battalion Chief Claudio Riviuccio

Operations note:

Greater Alarm Engine Companies shall spot High Pressure Hydrants, attach Gleeson valve(s) (Pump Operations Manual Section 3.8), and check in at the Incident Command Post updating the IC. Greater Alarm Truck Companies shall check in with ceiling hooks and attic extensions at incidents with reports of fire in the attic space.

Bureau of Fire Investigation (BFI)/ Arson Unit

Assistant Fire Marshal Gerald Gauer

The Arson Task Force Unit is a collaborative effort that consists of the BFI, SFPD and the District Attorney's Office.

The BFI Captain is the designated Custodian of Records for all SFFD National Fire Incident Reports (NFIRS) and Fire Investigation Reports (FIR). The BFI receives and process all Public Records requests for these reports and also contacts SFFD for court ordered subpoenas.

The number of **Open/Active Fire Investigation Reports** through the month of **April 2025** is **35**. The Reports Include the Following types of fires:

- **7** Outside Fires
- **17** Structure Fires
- **9** Vehicle Fires
- **2** Other

The number of **Completed Fire Investigation Reports** through the month of **April 2025** is **31**. The Reports Include the Following types of fires:

- **5** Outside Fires
- **13** Structure Fires
- **8** Vehicle Fires
- **5** Other

FSIH = Fire Safety In The Home

SFFD Airport Division Recent Activities

Division Update April 2025

Assistant Deputy Chief D'Arcy:

- Participated in SFFD-SFO Monthly Budget Meetings
- Attended weekly check-ins with SFIA Safety & Security Director Ruckelshausen
- Attended regular check-ins with SFO's Director of Environmental Operations
- Attended SFO Emergency Operations Group Management Team meeting
- Attended weekly SOG Meetings with SFIA Director of Security/Emergency Management Rob Forester
- Attended SFIA bi-weekly Management Meetings
- Attended bi-weekly check-in meetings with Deputy Chief Rabbitt
- Attended Fire Commission meeting
- Delegated monthly virtual meeting hosted by San Mateo County Ops
- Attended a monthly virtual meeting hosted by the ARFF Working Group
- Participated in Airside Operations – SFFD monthly meeting
- Participated in bi-weekly PFAS-free Foam Transition meetings
- Continued participation in monthly Airside Safety & Security staff meetings
- Continued work on SFFD deployments
- Continued bi-weekly check-in meetings with Facilities Director & Shops
- Continued hosting bi-weekly Project Check-in Meetings
- Attended IT Discussions including SFO & SFFD
- Attended multiple Solar Convergence Risk Assessment sessions
- Attended SFFD Headquarters event: Celebrating March & April Birthdays
- Hosted a Budget Review session prior to the end of FY24-25 Q3
- Follow-up meeting with X-Naut after their session at Headquarters
- Follow-up meeting with ViaTech re: collaborations, SFO updates, 2026 products
- Met with Sarah Fabian re: MOU, specifically pertaining to Data to the Local EMSA
- Continued work on Microsoft Tablet acquisition – Tablets received
- Hosted Mission High School Fire Science field trip at AP Firehouse 3
- Continued work on ARFF procurement in collaboration with SFO Auto Shop
- Restarted regular check-in meetings with Dr. Lacocque
- Attended first session of Executive Committee Meeting
- Attended several sessions regarding runway construction at SFO
- Attended Maritime FireScope
- Hosted HazMat, Fire Instructor & Command/Control Classes at the Airport Division
- Continued work on Simulator
- Consistently working with SFFD Human Resources
- Delegated meetings to Captains & Battalion Chiefs to increase their knowledge of (and participation in) various collaborations
- Hosted weekly Strategic Planning meetings with Strategic Development Officer
- Continued AP In Service Training weekly recap with Training Lt. Dockery
- Continued work for EV procurement; chargers installed
- Continued work on FY25-26 Capital Projects

Battalion 65: BC's Crean, Francois & Styles' Operations Summary:

- Alert Training and Drills - multiple events
- Multiple Extrication drills on salvaged vehicles
- Engine and Truck Drills - multiple events
- Engine and Truck Inventory, Training and Drills - multiple events
- R65 Attended meetings with Airfield Safety and Ramp Safety
- ARFF Training with all members, focused on task book initiatives
- ARFF and ATC Communications
- Live Runway Crossings
- ATC orientation on Tuesdays
- Marine Rescue Drills - Boat Operator Task Book initiatives
- Training Staff conducted Safety Drills
- MERF access for SFO Maintenance
- Battalion Drills - Focused on Rescue / Confined Space / Hose Leads / Engine and Truck Ops
- Instructor 1 Training Class
- ARFF Officer Class
- Multiple Marine Drills for Boat Operator Task books
- Several orientation drills with new members
- Several Salute Details Provided per Airline Requests
- Supported Ambu-Lift Operations
- Held a Career Day at Firehouse 2
- Mission High School visited Firehouse 3

Training Lt. Dockery & Training Specialists Hoaglin & Ochoa:

Overview:

- 6 Members ARFF Driver Trainees (3 Months into 7-month training program)
- 11 Members attended CSFM Instructor 1 Class (40 hours)
- 6 Members attended ARFF Driver/HRET Training 40 hours) (Dallas Texas)
- 4 Members attended Air Traffic Control Tower Observation
- Airport Rescue Fire Fighting, generalized and specialized training (465 hours per HRMS)
- Total Personnel Trained = 87
- Total Training Hours = 1149

Notable Highlights:

- California State Fire Marshall Instructor 1 Training
- ARFF Driver and High Reach Extendable Turret Training (Dallas)
- ARFF Driver Trainees on pace to complete Second Benchmark

Upcoming Training (May):

- HazMat Technician/Specialist Training
- Advance ARFF Officer Training (Dallas)
- FAA Testing Preparation

Training Compliance Officer: Captain Maribeth Jensen:

ONGOING:

- Attend Runway Safety Meeting (TEAMS)
- Attend Monthly EOC Emergency Planning Meeting (TEAMS)
- Attend Monthly Airside Operations Meetings (TEAMS)
- Participated in SFIA Runway/Ramp Safety meeting (TEAMS)
- Attend Monthly Red Cap Planning Meetings & pre-planning (TEAMS)
- Attend Monthly Safety/Airfield Operations Meetings at Airfield Ops
- Report to EOC when activated
- Continuous meetings with Training Staff
- Continuous maintenance of training records including FAA required FAR Part 139.319 curriculum and SFFD specialty certifications
- Esurance that FAR Part 139.319 training is documented correctly
- Continuous maintenance and accountability of Airport Security Badges
- Development of FAR Part 139:319 Curriculum Training Manual
- Coordinate with other SFO agencies for upcoming training, drills and classes
- FAA Inspection preparation, including training records, foam & Dry Chem testing, apparatus equipment
- Working with Emergency Operations Center (EOC) on the Airport Emergency Plan (AEP) ANNEX 8 Water Rescue update for FAA. Updating existing SFO-SFFD documents to reflect changes
- Working with Seth Rubenstein to develop critical planning, organizational & development skills

New:

- Received H39 training including but not limited to:
 - Drafting Airport Standard Operating Guidelines & Procedures
 - FAA Inspection Process
 - Training Announcements
 - TTA Process
- Facilitated monthly FAR Part 139.319 discipline: Emergency Communications, daily drills & drill documentation
- Facilitated First Aid & CPR/AED training for SFO staff members, 40 students
- Attended Instructor 1 training class, 40 hours
- Organized 6-day HazMat FRO course, entire AP Division, 98 members in attendance.
- Worked with IEC to develop curriculum for HazMat FRO
- Organized SFO-SFFD members to participate in Airport Community Emergency Response Team (ACERT) training, 24 students, 4 SFFD-AD Instructors
- Attended ACERT Orientation and Graduation
- Organized CHEMPACK training for SFO SFPD members, 12 LEOs, 1 RC
- Developed and facilitated monthly Red Cap Drill with EOC, CHEMPACK Deployment. 24 participants, SFFD, SFPD, EOC & role players
- Facilitated and attended Career Day. Approximately fifty 4th & 5th graders from Belair Elementary School. Visit to ST 2 to explore ARFF and SFPD operations & apparatus

- Attended 911 Dispatch Appreciation Day held in SFO Comm Center. Presented gifts of appreciation from each Station
- Finalized CIRT Activation Procedure for SFFD- SFO members
- Worked with BC to update Marine Protocol Binder & Task Books to reflect new changes in program
- Met with Training & Command Staff to develop SFO-SFFD Marine Program, requirements & procedures
- Met with Captains of ST35, ST16 & EOC to discuss Large Scale Marine Exercise participation
- Worked with SFO Airport Safety Officer to verify ARFF stats in Airport Certification Manual (ACM)

Rescue Captains Anderson, Beckwith & Morley:

- Responded to calls for service to assist/observe paramedics on emergency calls
- Updated AED batteries and equipment inside of AED cabinets
- Attended daily both Battalion Chief and Airport Duty Manager meetings
- Captain Anderson attended Active Attack refresher training at Division of Training
- Instruction to SFO community in CPR/AED training
- Instruction to SFO community in First Aid training
- Staffed Bike Medics with additional 3rd Bike Medic on high passenger load days
- Completed Basic Life Support Recertification to SFFD Division

SFFD Division of Training
Division Update April 2025
ADC Marc Kasper

The following lists the activities for the month of April 2025:

- Had weekly meetings with Division of Training staff via TEAMS every Tuesday at 0830
- Met with CD2 on Thursdays at 0730 at SFFD HQ
- Addressed Pre-Tower class on 4/1 for possible future Station 49 members to attend 136th H2 Academy
- Attended meeting on 4/10 with TIDA with CD1, CD2, and Chief of staff for future collaboration and partnership with Treasure Island opportunities.
- Met with BC Kreiger on 4/2 to discuss ideas on implementing NERT into the School system which is currently already being discussed by the administration prior.
- Attended the Executive Committee Meeting to discuss committee liaisons and plans going forward.
- 4/4: Attended the christening of the South San Francisco Fireboat at Oyster Point where SFFD Fireboat Guardian provided the Water Display.
- Met with Captain Matt Baker on 4/4 at Station 22 to discuss providing State Fire Marshal Company Officer Classes (with emphasis on SFFD) in 2026 and scheduling.
- Attended SFFD Boot Camp on 4/6 for 136th Fire Academy.
- Met with CD2 and recruits to discuss academy deficiencies on 4/7 and 4/16.
- 4/8: Attended the SFFD Fire Chiefs Association meeting to discuss future plans and new board members.
- 4/9: Met with the command staff to choose members for the 136th Fire Academy.
- Attended meeting on 4/10 with TIDA with CD1, CD2, and Chief of Staff for future collaboration and partnership with Treasure Island opportunities.
- Conducted station visits at Stations 29, 25, and 28 with CD3 on 4/11.
- The In-Service Staff and I assisted in Fire Ops on 4/12 the City Hall Staff and Command Staff.
- Attended live fire at TITF on 4/13 where off-duty SFFD members are instructors as City College Employees.
- 4/15: Participated in a TEAMS meeting with our Vector Solutions representative.
- Met with the Training Committee on 4/17 to discuss Driver Training Program.
- 4/17: Attended the 1906 Survivors Luncheon at the SF Elks Club.
- Attended the 119th Anniversary of 1906 Earthquake and Fire Ceremony at Lotta's Fountain and The Golden Hydrant at 20th and Church.
- 4/19: I was the Safety Officer at the NERT City Wide Drill at 9th Ave and Lincoln Way.
- 4/20: we hosted the Alameda County Fire Department Fire Academy at TITF for Live Fire Operations for future collaboration and partnership in which I attended.
- Attended the H3-L1 orientation at Treasure Island on 4/23 and spoke to the students about their new adventure with the SFFD.
- 4/23: Observed the Golden Gate Bridge Authority participate in training with our In-Service Staff at TITF. This is the beginning of a great partnership and collaboration in which they are

donating and disposing of several vehicles which our members will be using for extrication drills free of cost.

- Additionally on 4/23, I attended a site visit behind De Young Museum for a future Emergency Water Supply drill to show our capabilities.
- 4/24: Met with Captain Watrous to discuss removing Trailers from DOT Folsom and also making room for a storage container for BOE equipment.
- Attended a meeting on 4/24 with CD2 and BC O'Connell at St21 to discuss the upcoming Truck Academy.

Additional Activities and Projects:

- I am continuing to support B4 to complete the open task-book for Station 16 members to complete their Large Vessel Boat Operator course. I am working with BC Styles to get another class in early June to bolster our cadre.
- Captain Novo has been participating in the 135th Academy to prepare himself to take over for Captain Yuen for the 136th Academy that will start July 28, 2025.
- We had 21 members apply to be instructors for the 136th Academy. There will be a projected 12 open spots for instructors. Interviews are scheduled for 5/13 and 5/14.
- I am working with SFPD to use the EVOC course at Pier 96 for the upcoming Driver Training Class for members getting off probation from the 133rd class. This class is projected to start in early July. This EVOC course has several hundred cones in place and will be adjusted to challenge the students in fire department vehicles. The cone course will only be a portion of the class curriculum.
- I am working on several upcoming classes for our members. Our forcible entry doors have been delivered to TITF. We will have three 1-day classes in mid-June with these doors. It will be an all-day class in which we will conduct forcible entry in a "Crawl-Walk-Run" style. There will be obstructions and smoke conditions. This class will be taught by our own members.
- The DOT is working with suppression members to put on an all-day vehicle extrication class in the October time frame. We are hoping this will be three 1-day classes to capture many of our members. This class will be taught by our own members.
- The DOT will be starting a "PodCast" in August-September that will memorialize information from our members in regard to fires, rescues, and just general experiences. This podcast will be put on our online training which will generate CJAC revenue for future training. It will later be put on our training website (sffdtraining.org) to be accessed anytime for future members.
- In-Service staff are currently working on an upcoming RIC (Rapid Intervention Crew) module at TITF. This will be rescuing downed firefighters under some conditions. The module will also have a command component and an EMS component. The EMS component will allow our EMS personnel to "bridge the gap" with suppression personnel in a training setting.
- EMS Training is preparing for the upcoming H3 L-1 academy on 5/5 with a graduation of 7/25. They are also preparing for the H3 L-2 academy on 6/2 with a graduation 7/25.

- Special Operations conducted several drills with the CHP helicopter this month. I am meeting FF/PM Canning on 5/5 to discuss putting on a Tower Rescue Class (see example pic) here in San Francisco to get more of our members certified to work with helicopters for future operations.

- I am collaborating with WAYMO to give our members training on the WAYMO Operations. This will better prepare us for incidents involving these vehicles.
- I am working with City Attorney Sarah Fabian to acquire the old Post Office on Treasure Island that is being demolished to make room for the Bay FC practice facility. We will conduct truck operation training on this building if it is acquired. This will include laddering, tactics, and vertical ventilations by cutting holes in the Tar and Gravel roof.

CJAC FUNDS:

The CJAC funds continue to increase with the implementation of the new weekly drill schedule and support of the membership inputting their training. Another new SFFD record has been set for the month of March at 9230 hours. These funds are generated for the apprentice firefighter from the time period of 17 months employed to 5 years employed. The state provides approximately \$4.60 per hour of training. The March hours compute to \$42,458 in revenue that is used to continue to train our members. These funds are used for training materials and classes on a vote basis by the 6 members of the CJAC committee. The CJAC committee is made up of 3 members from the administration, and 3 members from labor. The administrative members are ADC Kasper, EMS Section Chief Treff, and EMS Captain Chis Bonn. The labor members are 798 President Kauf, Vice-President Gebler, and Treasurer Riahi. The committee is in alignment to provide “the most training for the most members”

with these funds. The goal is that the things that are purchased provide training, which in turn, provides more CJAC revenue. It is a rolling fund that builds itself.

Recent Purchases in April include:

- Rope Rescue equipment for special Operations Training under Captain Tyson Yee
- A class for Rescue 2 members for Thermal Imaging Camera Training in which they will deliver the content to members in the field after the conclusion of the class.
- A request was just submitted to the committee for MMS equipment for the future podcast. It is awaiting a successful vote by the committee.

CJAC HOURS AND ACTIVE MEMBERS FOR 2025:

Month	Hours	Active Members
January	5273.00	406
February	6033.00	377
March	9230.00	428

April 2025 Monthly Recruit Training Report of Activities

The following list outlines the activities for the month of April 2025:

Week 11 Academy: April 1 - 4

Academy Lecture: Guest Lecturer, Retired Assistant Chief Tom Siragusa

Topic: Berkeley Way Fire, Line of Duty Deaths of Vincent Perez and Tony Valerio

Manipulative Practice:

Ladder Rescue

22' Extension

Bootcamp for Potential 136th Academy Candidates Held on April 6th:

2 miles, 2-minute push-ups, sit ups, pull ups, squats, farmers carries

Week 12 Academy: April 7 - 11

Academy Lectures:

Guest Lecturer Jim Wickham,

Topic: PG&E Electrical and Gas Emergencies

Guest Lecturer Lt. Lawrence Jew

Topic: Confined Space Awareness

Communications Cart

Tripod Vortex

Week 13 Academy: April 14 - 18

Events: Flammable Liquids and Gas Training @ Contra Costa Training Cener in Concord

135th SFFD Recruit Academy with the Contra Costa County Academy:

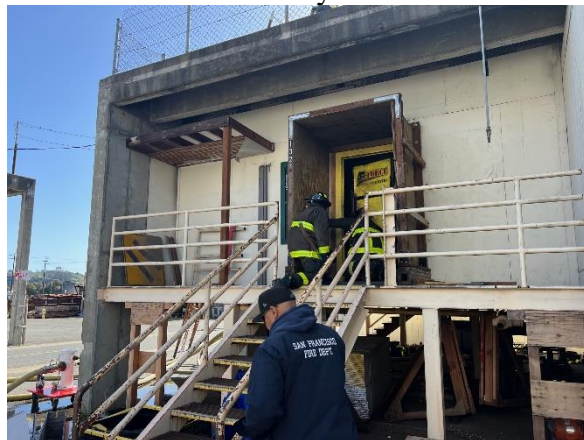

Manipulative Testing:

Knots

Forcible Entry

Week 14 Academy: April 21 – 25

Academy Lectures:

Guest Lecturer: Battalion Chief Siguenza

Topic: Wildland

Skills: Progressive Hoselay Prepare and Defend, Drip torch, Air Drop, Shelter, Donn Wildland Gear

Week 15 Academy: April 28 - 30

Academy Lectures:

Guest Lecturers: IAFF Hazardous Materials Awareness First Responders

The 135th Academy Class has completed Fire Suppression Testing. They have worked hard and at the end of their final week of testing, they were able to celebrate for a brief moment at how far they have come.

Look Closely – They spell 1 3 5

Special Operations Training, Tyson Yee, Captain

March 2025 Monthly Report

April was a busy month for training. As Truck companies came to the tower to test their probie's aerial ladder skills, crews were invited to take part in a RIT/EBSS drill at the base of the tower. There were profile changes, victim rescues, critical communication practice, and an Emergency Breathing Supply System review. The drill was challenging for both the new recruit and the seasoned veteran. If a member forgot or had never been shown FF survival skills, we did a ground school to teach the techniques to be successful. The response from the firefighters have been very positive and improvements have been made for the next round of training (metal cutting/forcible entry).

Week 2 was dedicated to both our Rescue Squads to practice large area search techniques and activation of RIT duties at a fire. This involved utilizing a search rope with knots and rings built into the line for orientation and maintaining and anchor while searching. Many lessons were learned and reinforcing that we need to practice regularly to be proficient in all our skills. RS2 was dispatched to a working fire during one of the drills and had a slight delay changing out to fresh bottles for the incident. We will have reserve packs at the ready for in the future.

Week 3 was Helicopter Rescue Training with our outlying companies E14, T14, B07 and RS1. The goal was for technical proficiency with helicopter rope operations. I believe that getting companies together to train and communicate was just as valuable as the technical skills learned. HRT water rescue capabilities were also demonstrated at Pier 30/32 with companies E04, T04, E35, FB3, and B03. CD1, CD2, and Fire Commissioner Nakajo were present.

Special Operations continues to make contacts and collaborating with outside agencies- Golden Gate Bridge Authority, California Highway Patrol, Southern Marin Fire Department, and BATEP. These agencies participated in our Battery Fire Training at the DOT. SFFD hosted the GGBA at TI and put together two live fire training events. We have been working together for safety planning and coming together for larger more elaborate drills. Next month, SFFD will be the host agency for another collaborative joint training on Treasure Island- Disentanglement and Civil Disturbance Tactics.

Although I have been busy with special operations events, I have tried to work collaboratively with the other branches of Training: In-service, EMS, NERT, and Recruit training. I assisted with ladder evaluations for Recruit Boot Camp, Burn Safety Officer for Live Fire Day with the Mayor's Office & City Supervisors, and helping with the cribbing station at the NERT City-wide Drill. I will be on vacation from 4/23 through the end of the month. Special Operations Training will resume as soon as I get back on 5/5/25.

Events

4/1 EMS Recruit Pre-Tower Evaluations
4/6 SFFD 136th Recruit Candidate Boot Camp at TITF
4/12 Live Burn SFFD/798 Event for Mayor's Office and City Supervisors
4/16 SFFD Funeral FF Tiapo III in South San Francisco
4/19 NERT City Wide Drill, Golden Gate Park County Fair Building
4/22 Battery Fire Training at DOT

Meetings and Planning

4/2 Station 16 needs and small boat operations planning (training mannequin for water search given T16)
 4/7 Advanced Rope Rescue coordination for Station 14 and Rescue Squad 1 with BC Kircher
 4/9 Public Safety Dive Training Plan with FF Towner, RS2
 4/14 TI In-Service Truck Operations Building Walk Through and Training Plan
 4/16 HRT planning meeting with FF/PM Canning for 4/2025 drill with Station 14 & RS1
 4/22 BAYEX event coordination & planning with ADC Kasper, ADC Brown
 4/23 Golden Gate Bridge Authority Live Burn Collaboration at TI with T09
 4/30 Golden Gate Bridge Authority Live Burn Collaboration at TI with T10

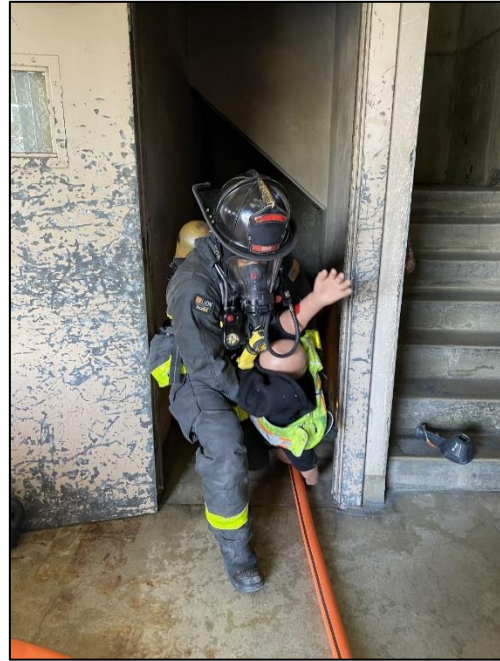

Training

4/3 RIC-EBSS Drill with T15, T10, T17, & E24
 4/4 RIC-EBSS Drill with T02, T03, & T01
 4/7 Auto Extrication 101 with T11 (D. Halpin/M. Elias/C. Ramirez)
 4/7-4/9 Large Area Search & Squad RIT Activation with RS1 & RS2 at 798 Union Hall/Station 7 Ap Bay
 4/10 Below Grade Invalid Search & Rescue Course with T13, T12, E25, & T04
 4/14-4/15 HRT Rope Rescue Operations with E14, T14, B07, and RS1 at the Cliff House
 4/21 HRT Water Rescue Operations & Helicopter Orientation with CHP, E04, T04, E35, & FB3 at Pier 30/32

<u>DRILLS AND INSTRUCTION FOR THE MONTH</u>	<u>MEMBERS TRAINED</u>	<u>TRAINING HRS RECEIVED</u>
HRT CHP Helicopter Rope Rescue	45	90
HRT CHP Water Rescue	15	30
Rescue Squad Large Area Search	16	32
RIT EBSS Drill	24	24
Search & Rescue –Below Grade Invalid scenario	16	16
Auto Extrication 101	9	18
TOTAL	125	210

In-Service Training, James Draper, In Service Training Captain

April 2025 Monthly Report

Recruit training in progress, Forcible entry doors maintained and pegs built and reset. 10 forcible entry doors were delivered on 4-30-25 to be distributed to each of the ten battalions for training. Both Burnboxes were completed, new chimneys for simulated truck roof ops, window for fire control, and then were utilized by multiple agencies, Alameda County Fire Academy, Golden Gate Bridge Authority, and City College of San Francisco. Ladder and Truck ops, RIC, firefighter survival and confidence course are being set up as a combined module for May through June. In service spent spare time cleaning and completing an inventory of the tools, equipment, supplies, and props in the training facility.

Meetings and Planning

4/30 Meeting with Division Chief Brook Baker re: upcoming RIC Module and FF Survival drills
4/28 Meeting with Division 3 and ADC Kasper, to discuss locations on TI for Truck training, forcible entry, salvage and overhaul.
4/21 Meeting with Jason Harroll re: GG Bridge auto x, live burn, and maritime rescue ops Scheduled for 4/23
4/7 – 4/9 ADC Kasper and in-service crew started designing a 1-week truck drill for condemned building on Ave H

Training

4/1-4/30 Support recruit training
5 return to duty tests in March
4/12 Live burn for Union and the Mayor's office
4/13 Live Burn for the fire academy at San Francisco City College
4/22 Alameda county recruit training came and used burn rooms
4/23 and 4/30 Golden Gate Bridge Authority trained in burn rooms and trained with car Fire blanket.
April Module 5-inchhose and Host tender 102 students complete. Module over.

DRILLS AND INSTRUCTION FOR THE MONTH

MEMBERS TRAINED

TRAINING HOURS

Hose Tender	102	612
Return to Duty Training	5	15
Forcible Entry	62	124
Total	169	751

Additional Work Performed:

Regular facility Maintenance

Metal cutting props for circular saws construction continues..

Hose Tender training with Captain Kotter, Water Supply Officer at Twin Peaks Reservoir completed

Continue 2nd module prep, RIC training and firefighter survival

Continue restoration process of 65 'extension ladder and 32 'straight ladder.

Recycling continues of metal and wood used in training props

Completion of 2000 pegs for forcible entry doors

Assisting Chief of Staff with preparations for Mayors Visit

Built a stair case for the Jim Gallager inter-station run awards ceremony

Painting the ten forcible entry doors for the Battalion houses

Installed safety Ballards on front of fire academy

Building Burn rooms

Setting up,
repairing and
setting off burn
boxes

Probationary Training, Alan Camarillo, Training Lieutenant

April 2025 Monthly Report

1. This is the Monthly Report for The Division of Training- Folsom, for the month of April 2025:
 - a. Monitoring 96 Probationary Firefighters in the field.
 - b. Class 132nd completed 1-Year Probationary Period and Testing, with the exception of one delayed due to Return from DP and is currently completing their 2nd House Assignment.
 - c. Class 133rd completed 1-Year Testing, with the exception of the following:
one member postponed due to Military Leave, one member delayed due to return for DP, one delayed due to being off on injury and two delayed pending retests.
 - d. Class 133rd and 134th completed Pump and Aerial Testing in their respective assignments with the exception of the following:
133rd member who was just recently assigned to their 2nd House Assignment, one member on Military Leave and one pending a retest.
134th- one member pending retest.
 - e. Class 133rd and 134th completed Cones Testing in their respective assignment, with the exception of the following:
133rd- one member was recently assigned to their 2nd House Assignment and one member on Military Leave and one pending Retest
 - f. Class 133rd and 134th completed Pre-Trip and Road Evaluations, with the exception of the following:
133rd- one member on Military Leave who has to complete that upon return,
134th- one member delayed due to return from injury.
 - g. Reviewing Monthly Probationary Reports and documenting any issues.
 - h. CJAC log updated.
2. Oversee practice of evolutions and documentation of but not limited to pump/aerial test, pre-trip inspections and hose leads, driving and knowledge of firefighter duties of probationary firefighters.
3. Maintain and inspect all equipment and apparatus and make appropriate notifications if necessary.

Auto Extrication Drills, Alan Camarillo, Training Lieutenant

April 2025 Monthly Report

1. General Order 22 A-127, Enclosure (K) states that every Saturday one Truck Company and one Rescue Squad must report to the Division of Training for Saturday Auto Extrication Drills. There is a schedule of which companies are due.
2. There were four (4) scheduled training days in the month of **April 2025** at the Division of Training-Folsom Street Location.
3. The following Companies were due to attend training this month and had safety measures in place:
 - 04/05/2025, Truck 01 Rescue Squad 1
 - 04/12/2025, Truck 02, Rescue Squad 1
 - 04/19/2025, Truck 03, Rescue Squad 1
 - 04/26/2025, Truck 04, Rescue Squad 2
4. Extrication vehicles were designated with Truck identifier and date of scheduled training. Each Truck got half a vehicle leaving one vehicle for impromptu training on a first come first serve basis.
5. Auto Extrication Drills were suspended from 03/14/2025 until 03/29/2025 to allow for the 135th Recruit Class to occupy the facility and have ample vehicles for their use.
6. A total of Five (5) L1-Vehicles is the standing order for the number of vehicles delivered to Division of Training- Folsom.

Neighborhood Response Team (NERT), RC Brandon Tom

April 2025 Monthly Report

NERT is a free training program for individuals, neighborhood groups and community-based organizations in San Francisco. Through this program, individuals will learn the basics of personal preparedness and prevention. The training also includes hands-on disaster skills that will help individuals respond to a personal emergency as well as act as members of a neighborhood response team. San Francisco is made up of many neighborhoods. NERT trains San Francisco residents to be one ready community when it counts. Together NERT can create a lifeline between your family and neighbors, and the City's emergency responders.

Upcoming for May 2025:

Projects and Short-Term Plans

- Finalize Stop the Bleed Training for DEM
- Continue working with Aaron Yen (DEM) to continue NERT/DEM partnership to increase SF Ready preparedness.
- Prepare for Listos! expansion due to interest/demand in Spanish Speaking community, source materials, instructors, etc. Listos class was very well received, anticipate demand for courses to increase, more in depth topics (first aid, CPR training, curriculum delivered in Spanish) – NEED more books
- Continue working on creating/scheduling of SF Ready and NERT Basic for Calendar Year 2025.
- Integrate NEW ID Badge System with NERT Member App
- Establish TEEN NERT Program
- Create Road Map for NERT

Challenges

- APEX software, AKA NERT Member App, has ongoing bug reports. A dedicated SFFD IT Team should be put in place
- Need Office Help! Overwhelmed with NERT Member App administration and Office administration
- Mayor Lurie has increased interest in NERT. Difficult to meet current demand.

DATE	EVENT NAME	EVENT DESCRIPTION	# OF PARTICIPANTS	# OF NERT STAFF	MISC. NOTES
