Bureau of Fire Investigation (BFI)/ Arson Unit

Assistant Fire Marshal Gerald Gauer

The Arson Task Force Unit is a collaborative effort that consists of the BFI, SFPD and the District Attorney's Office.

The BFI Captain is the designated Custodian of Records for all SFFD National Fire Incident Reports (NFIRS) and Fire Investigation Reports (FIR). The BFI receives and processes all Public Records requests for these reports and also contacts SFFD for court ordered subpoenas.

The number of **Open/Active Fire Investigation Reports** through the month of **November 2025** is **55**. The Reports Include the Following types of fires:

- **12** Outside Fires
- **21** Structure Fires
- **16** Vehicle Fires
- **6** Other

The number of **Completed Fire Investigation Reports** through the month of **November 2025** is **13**. The Reports Include the Following types of fires:

- **2** Outside Fires
- **5** Structure Fires
- **4** Vehicle Fires
- **2** Other

SFFD Airport Division Recent Activities
Division Update October/November 2025
Assistant Deputy Chief D'Arcy

The following is a summary of Airport Division activities to date for October & November 2025:

Assistant Deputy Chief D'Arcy:

- Participated in SFFD-SFO Monthly Budget Meetings
- Attended weekly check-ins with SFIA Safety & Security Director Ruckelshausen
- Attended regular check-ins with SFO's Director of Environmental Operations
- Attended SFO Emergency Operations Group Management Team meeting
- Attended weekly SOG Meetings with SFIA Director of Security/Emergency Management Rob Forester
- Attended SFIA bi-weekly Management Meetings
- Attended check-in meetings with SFO Director Mike Nakornkhet & COO Littlefield
- Attended bi-weekly check-in meetings with Deputy Chief Rabbitt
- Attended quarterly staff meeting
- Attended Fire Commission meeting
- Attended monthly ARFF-Working Group Board Meeting
- Delegated monthly virtual meeting hosted by San Mateo County Ops
- Attended a monthly virtual meeting hosted by the ARFF Working Group
- Participated in Airside Operations – SFFD monthly meeting
- Continued participation in monthly Airside Safety & Security staff meetings
- Continued bi-weekly check-in meetings with Facilities Director & Shops
- Hosted meetings with medical personnel regarding ESO Solutions
- Participated in a Debrief hosted by SFO's Emergency Management team
- Meetings with ITT regarding AirTag Deployment plans
- Hosted Chief Rabbit at the Airport Division
- Continued work on Fire Station Alerting
- Participated in HAAS Alert discussions
- Attended FY 2026/27 & 2027/28 Operating Budget Development Kick-off Meeting
- Participated in incursion investigations
- Hosted the initiation of EMS Protocol Planning meetings
- Attended SFO Town Hall meetings
- Hosted a Town Hall for Airport Division members
- Attended Questica Budget System Training
- Attended weekly meetings with CDM Smith
- Attended FireScope
- Attended 8X8 Preconstruction Meeting in Wisconsin, brought ARFF drivers & SFO Fleet Shop members
- Attended MPLS Upgrade Project - Final ITL Review
- Virtually attended SFO Infrastructure Modernization Plan (IMP): Resilience Projects Review
- Attended Lexipol Policy Meeting
- Hosted discussions RE: Jet Dock Expansion
- Continued work on Mooseboat
- Meetings with Shops regarding New Fire Boat Signage & Decals

- Attended Executive Liaison Monthly Meeting #3 – hosted November 2025
- Attended Toy Program Kick Off
- Attended Salvation Army Turkey Carving (SFFD vs. SFPD)
- Continued work on ARFF procurement in collaboration with SFO Auto Shop
- Continued work on Headset procurement in collaboration with SFO Radio Shop
- Continued work with ITT to update SFIA Station 3 Classroom
- Participated in regular check-in meetings with Dr. Lacocque & new EMSA Liaison
- Consistently working with SFFD Human Resources
- Delegated meetings to Captains & Battalion Chiefs to increase their knowledge of (and participation in) various collaborations
- Continued AP In Service Training weekly recap with Training Lt. Dockery
- Continued work on FY25-26 Capital Projects

Additional Information on Current Status of Division:

Current Apparatus Projects – In Build:

- 1 Mooseboat (Expected completion December 25)
- 2 ARFF Trucks (Expected Completion September 26)
- 1 Engine (Expected completion August 27)

In Purchase Process:

- 1 Truck
- 2 ARFF Trucks, Working on a piggy back to the two in construction

In Spec Process:

- 3 Medic Units
- Rescue Truck

Requested:

- Stair Truck

Current Staffing:

Rank	Staffed	Needed	
H2	48	0	-1 from September
H3	10	1	No Change from September
H3L2	6	2	(Needed for DP Coverage)
OFF	12	1	No Change

Skill	Current Count	Required	
SWIMMER	23	29	-6
ARFF DR	29	29	-1
BOAT DR	10	10	No Change
HAZMAT	13	10	+5

Battalion 65: BC's Crean, Francois & Styles' Operations Summary:

OCTOBER:

Operations Summary:

- Responded to 560 Incidents
- Responded to (7) Aircraft Alerts
- Conducted Dry Salutes for retiring pilots

Administrative Summary:

- Equipment Maintenance - Water & Marine Equipment Serviced
- Daily Staffing and Administrative Duties
- Attended Daily Airport Duty Manager Meetings
- Attended Airfield Safety Monthly Meeting - Fire Department / Training
- Attended Security Operations Meeting
- Supported MERF access for Security of Waterways
- Development of Airport Training for new members - 4 week model

Training Summary:

- Confined Space Technical Rescue — Annual Refresher
- ARFF Drills and Runway Crossings Conducted on multiple occasions
- Technical Rescue Gear Training - Ground School Rope Rescue - Tower Rescue
- Multiple Online Target Solutions Sessions Completed
- Red Cap Exercises (4)
- Held Numerous Daily, Battalion, Marine, EMS, In-Service and Technical Rescue Drills
- Airfield Safety Ride-Along (4) Members
- FAA Tower Sit-Along (4) Members
- Time Trials - ARFF

NOVEMBER:

Operations Summary:

- Responded to 454 Incidents
- Responded to 7 Aircraft Alerts
- Conducted Dry Salutes for retiring pilots
- Multiple Workplace Injury Incidents Reported to OSHA

Administrative Summary:

- Equipment Maintenance - Lockwood Ceiling Hooks Distributed, CGI and K65 TIC placed on R32

- Daily Staffing and Administrative Duties
- Attended Daily Airport Duty Manager Meetings
- Attended Airfield Safety Monthly Meeting - Fire Department / Training
- Attended Security Operations Meeting
- Supported MERF access for Security of Waterways and Maintenance

Training Summary:

- ARFF Drills and Runway Crossings Conducted on multiple occasions
- Technical Rescue Gear Training
- Confined Space Drills
- Multiple Online Target Solutions Sessions Completed
- Red Cap Exercises (1) Active Shooter
- Held Numerous Daily, Battalion, Marine, EMS, In-Service & Technical Rescue Drills
- Airfield Safety Ride-Along
- FAA Tower Sit-Along
- Battalion 9 Drill Performed
- Members Assisted with Rig Specification at the Osh Kosh Facility

Training Lt. Dockery & Training Specialist Ochoa:

OCTOBER:

Overview

During October 2025, the Airport Division Training Section conducted a variety of critical training programs to maintain operational readiness and regulatory compliance across multiple disciplines.

Training Summary:

- 82 Members – Completed Confined Space Technician – Permitted Entry training
- 24 Paramedics – Completed Prehospital Trauma Life Support (PHTLS) training
- 11 New Members – Completed Basic ARFF Training
- 2 Members – Completed Confined Space Technician Certification
- 2 Members – Participated in Air Traffic Control Tower Observation
- Airport Rescue Fire Fighting (ARFF) – Generalized and specialized training totaling 1,220 hours (as recorded in HRMS)
- Total Personnel Trained: 96
- Total Training Hours: 1,300

Notable Highlights

- Conducted 3 unannounced time trial drills to evaluate operational readiness and response times.
- 82 members successfully completed annual Confined Space Permitted Entry requirements.
- Conducted New Member Class focusing on foundational ARFF operations and airport safety protocols.

Upcoming Training – November 2025

- ARFF Driver Trainee 40-Hour Course

- San Mateo County EMS Accreditation Training
- 101/303 Box Alert Drill
- Runway Safety Area Training

NOVEMBER:

Overview

During November 2025, the Airport Division Training Section conducted a variety of critical training programs to maintain operational readiness and regulatory compliance across multiple disciplines.

Training Summary:

- 4- Members Completed ARFF Driver Trainee Didactic
- 15- Members Completed Annual Confined Space Entry
- 47- Members Attend San Mateo County Accreditation Training
- 2- Members Participated in Air Traffic Control Tower Observation
- 2- Members Attended UASI Securing the Cities Radiological/Radiation Screener
- 13- Members Completed Unannounced Time Trial Drills
- Airport Rescue Fire Fighting (ARFF) – Generalized and specialized training totaling 815 hours (as recorded in HRMS)
- Total Personnel Trained: 96
- Total Training Hours: 815

Program Development Initiatives

- Continued development of the Airport Division onboarding and training framework to standardize a four-week academy-style process for new members.
- Finalized the 2026 DFW Airport Fire Training Research Center F3 Foam Application and ARFF Operations training schedule for SFFD SFO members.
- Advanced the Runway Incursion Mitigation retraining plan, including AOA movement, lighting/sign/markings review, and sterile cab / distraction-reduction components.
- Coordinated with San Mateo County EMS on upcoming Accreditation for all members
- Coordinated Confined Space, Rope Rescue, and EMS training dates and TTAs.

Upcoming Training – December 2025

- Rescue Rope Awareness Operations
- San Mateo County EMS Accreditation Training
- Pre Hospital Trauma Life Support
- 101/303 Box Alert Drill
- Runway Safety Area Training – All members to attend

Rescue Captains Anderson, Beckwith & Morley:

OCTOBER:

- Responded to medical calls, assisted/observed Paramedics on Emergency calls
- Conducted Friday EMS Inservice Trainings
- Maintained EMS Supply Inventory
- Monthly AED Checks
- Attended Daily Battalion meetings on MS Teams

NOVEMBER:

- Responded to 47 medical calls, assisted/observed Paramedics on other non-emergency calls
- Conducted AHA 1st Aid and CPR to Airport members
- Attended Virtual Emergency Operations meeting at SFIA EOC
- Attended SFFD EMS Command Staff daily TEAMS Meeting
- Participated in REDCAP Drills
- Completed monthly SFO ARFF Modules

Training Compliance Officer – Captain Maribeth Jensen:

OCTOBER:

ONGOING:

- Attend the following monthly meetings:
 - Safety/Airfield Operations- Implement Runway Safety Area (RSA) review for SFFD-AD members
 - Red Cap Planning
 - Emergency Operations Group- Review of FSE, Water Rescue
 - Security Operations Group
 - SFIA Runway Ramp Safety
- Airport Security Badge maintenance and issuance
- FAR 139 curriculum training, documentation and development
- Coordinate First Aid & CPR/AED training with SFO stakeholders
- Re-evaluation and improvement of current Relief Bike Medic program
- Onboarding with SFO's SMS Team

NOTABLE HIGHLIGHTS:

- Conducted 40 HR Initial ARFF Training for 11 new Airport Division Members
- Finalized SFFD-SFO Security Access Badge Policy, distributed to AP Division per Chief D'Arcy
- Monthly Part 139 discipline: Aircraft Cargo Hazards
- Planned & conducted Red Cap Drill, Alert 3 hard landing, Code 101 & 303 with live role players
- Coordinated attendance and organized the SFFD-SFO recruitment booth at the Skyline College Aviation Job Fair
- Reviewed three Requests for Proposal (RFPs) related to Safety Management System (SMS) analysis and consulting services at SFO
- Coordinated & attended Waymo First Responder Training sessions in collaboration with SFO's Transportation Dept.
- Coordinated CHEMPAK Training for SFO's SFPD

NOVEMBER:

ONGOING:

- Airport Security Badge maintenance and issuance
- FAR 139 curriculum training, documentation and development
- Coordinate First Aid & CPR/AED training with SFO employees
- Developing a Return to Duty Retraining Program for AP Members
- Developing a new AP Relief Bike Medic hiring process
- Developing an AP Relief Member Minimum Shift Requirement Policy
- Reviewing and grading SFO's Request For Proposal (RFP)s from various applicants
- Developing an Airport Box #6913 Response Training Bulletin for City Members
- Onboarding with SFO's SMS Team
- Attend the following monthly meetings:
 - Safety/Airfield Operations- Implement Runway Safety Area (RSA) review for SFFD-AD Members
 - Red Cap Planning
 - Emergency Operations Group
 - Security Operations Group- Super Bowl Logistics
 - SFIA Runway Ramp Safety- Review of Runway 28L Incursion

NOTABLE HIGHLIGHTS:

- Monthly Part 139 discipline: Duties Under the AEP
- Facilitated Live Burn for 5 new Members at Travis Air Force Base
- Planned & conducted Red Cap Drill, Active Shooter at the AirTrain Station
- Facilitated First Aid & CPR/AED Training for 40 SFO employees
- Reviewed four Requests for Proposal (RFPs) related to Safety Management System (SMS) Compliance database platform
- Attended San Mateo CO. EMS Accreditation onboarding training
- Underwent a Mock FAA Inspection
- Participated in Full Scale Exercise (FSE) After Action Report (AAR) meeting and review

October:

SFFD Division of Training
Division Update October/November 2025
ADC Marc Kasper

The following lists the activities for the months of October and November:

- Attended Fire Commission meetings
- Weekly meetings with Division of Training staff via TEAMS every Tuesday at 0830
- Met with CD2 on Thursdays at 0900 at SFFD HQ
- 10/2: Attended Live Fire with the command staff and several companies at TITF. The Training Drone was showcased in the operations.
- 11/24: Attended graduation for the MEA Leadership class
- 10/4: Attended the funeral services for Captain Marcus Gonzales (Retired)
- 10/4: Attended the St. Anthony's 75th Block Party.
- 10/7: the CJAC Committee met with CJAC coordinator Yvonne De La Pena via TEAMS to clarify procedures.
- 10/18: Attended the NERT City-wide Drill at YMCA Mission Bay as the Safety Officer.
- 10/19: Attended the Bootcamp for the candidates of the 137th academy.
- 10/20: Attended a virtual meeting for the upcoming Truck Academy.
- 10/23: I recorded a Podcast with Capt. Novo, Acting BC Benz and AC Thompson titled "Leaders" which highlighted good leadership experiences in the SFFD.
- participated in a meeting to choose candidates for the 137th academy at SFFD Headquarters.
- 10/30: Attended the promotional pinning ceremony at the Scottish Rite.
- attended the TEAMS meeting for the Chestnut Incident to start the safety investigation
- 11/3: Attended a photo shoot for the 136th academy and current DOT staff.
- 11/4: Attended a meeting with COS Sims and SC Bonn to discuss an EMS Training program.
- Met several times with Capt Wehrman to develop an NTI / PIP document to be added to our current MEP Manual. The document was submitted.
- 11/12: Attended a TEAMS meeting to implement Lithium-Ion training at TITF on 11/12/26.
- 11/14: Attended Media Training at St Francis Yacht club.
- 11/19: Participated in live fire training at TITF for a PIP evaluation.
- 11/20: Attended the Toys kick-off lunch at Local 798 union hall.
- 11/21: Attended live fire training with recruits of the 136th in which Chief Crispen participated in the evolutions.
- 11/26: Participated in the Turkey Carving competition with SFFD and SFPD Command Staff.

Activities and Projects:

- I am continuing to support B4 to complete open task-book for Station 16 members for Large Vessel Boat Operations. We have been fully operational daily with the completion of task books and engagement from the personnel at Station 16.
- The 136th academy is doing very well. They are in week 18 and winding down for graduation. Manipulative testing is completed, and we currently have 40 members.

- Special Ops is conducting several drills throughout the city. They completed tower rescues on Sutro Tower. Also Shoring drills and extrication drills with several companies. They also completed a successful multi-agency Haz Mat drill with the 95th Civil Support Group and the FBI.
- The DOT is moving forward with developing a Rope Rescue Awareness and Operations Cadre. We hosted a class on 11/5 with CJAC funds. This class task-booked two of our internal instructors so we can continue this class internally free to our members. This class is the gateway to several other certifications that staff our specialty units. We hope to have a large cadre very soon and hope to give this course as an academy curriculum in future classes.
- H16 Neal Narayan is hard at work making training videos and organizing our Vector Solutions program. We completed the Leadership podcast and are recording a Career Track and Cancer Prevention podcast the first week of December. The goal is to have 1 per month on various subjects.
- H16 Neal Narayan has been getting familiar with our new drone that was purchased with CJAC funds. It will be used as an essential training tool to film evolutions and future incidents for training opportunities.
- The last two months the DOT hosted ICS 300, Fire Prevention Classes, Public Safety diver, and a Truck Academy organized by our internal Cadre. We have upcoming classes: Fire investigation classes, an entry class to limit property damage, and TIC Operations classes. These are mostly funded with CJAC funds and the volunteer attendance by our members is overwhelming.
- In-Service staff are currently taking training to the field and visiting stations to conduct training. This will continue to happen between large modules and will utilize fire houses and other locations in the city.
- In Service Training has had multiple live burns. The props have been re-imagined making it more realistic with bedrooms, kitchen, closets, furniture, cabinets, and hoarder conditions. Wet hay has been used to produce smokey conditions, but the fire is kept small for safety. We are very aware of using organic materials for our members' safety. This, along with safety lines, escape doors and training staff monitoring with TIC's, make a very realistic and safe training evolution.
- In Service Training is wrapping up another hose tender module to ensure all our members are up to speed with our new apparatus.
- The H3 Academy is winding down and doing very well. We are in week 11 for the L1 and week 7 for L2 with a graduation of 12/12/25.
- The DOT is working on a Virtual Command and Control exercise for our chief officers which will consist of radio traffic, a fire scenario, and assigning companies. Additionally, it will have a Tablet Command component for tracking companies. BC Cannon is assisting with IPAD and Tablet Command.
- Completion of registration with the Federal Excess Program is complete. This program will allow us to obtain training materials, industrial vehicles such as forklifts, and other resources free of charge.
- I am working with the Training Committee on a Training Bulletin to update our suggested pump pressure as the efficiency of pumps and hoses has increased since our standards were written. Several tests with flow meters have been conducted to obtain this information.
- In Service Training installed a simulated power line prop at DOT Folsom for alternate ladder raises.

- The DOT and the field have increased their support for the Fire Reserves. We are detailing companies to assist them on Thursday Training nights. Several officers have volunteered to assist with this. We have obtained equipment for them and are searching for a dedicated legacy apparatus to give to them for training and company pride. Rescue 2 will be doing extrication drills with them on 12/11 in which we obtained 2 wrecked vehicles to use.

Recruit Training, Dustin Novo, Captain Recruit Training

October/November 2025 Monthly Recruit Training Report of Activities

Week of Sept. 29th: NERT lecture, 35' ladder on hill raise, SFFISE lecture, practicing multiple skills and testing.

Week of Oct. 6th: Lecture and skills practice (150' Standard, Large Line Wye, Ladder Rescue, 50' Obstruction Raise), "Battalion Drills", practicing skills and testing.

Week of Oct. 14th: MCI and Social Media lectures, PG&E lecture, aspiring 137 Recruit class Boot Camp, Battalion Drills, practicing skills and testing.

Week of Oct. 20th: Confined Space Awareness lecture, SFFD Canine Team lecture and demo, Rescue Squad Skills demo (Cribbing, Vortex demo, RS2 Rig orientation), Cancer Prevention lecture, Traction Splint skills, Berkeley Way presentation, Wildland Gear issued, practice skills and testing.

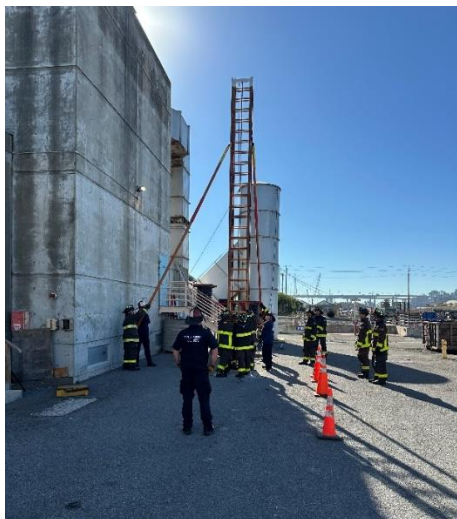

Week of Oct. 27th: Wildland Fire Behavior Lecture and practicing wildland skills (progressive hose lay, shelter deployment, constructing handlines, mop up, patrol, backpack pump, mobile pumping, drip torch, flares, fuses and prepare/defend).

Week of Nov. 3rd: 136 Class photo taken, Wildland skills continued, Wildland skills tested, Hazmat FRO classes hosted by IAFF and Hazmat testing. Visit by Chiefs Brannan and Mullin explaining the importance of PFAS Free Turnouts on the day of distribution.

Week of Nov. 10th: Flammable Liquid and Gas lecture and drilling, Active Attacker training, State Fire Training drills and testing (presenting fire safety, portable fire extinguishers, extrication, victim rescue, forward hose lay and ground ladders).

Week of Nov. 17th, Dan Casey Presentation, Fire Experiments, Behavior Burns, Risk Assessment, Master Streams Exterior Water, Fire Ground Safety Lecture and Drills, Fire Control 3 Drills, Live fire with CD1

Week of Nov. 24th, Pump lecture and drills. Driving lectures and practice. Thanksgiving Break.

Special Operations Training, Tyson Yee, Captain

October/November 2025 Monthly Report

Special Operations continue to train as we roll towards the holiday season. We are working with our outside agencies (UCSF, Sutro Tower, 95th Civil Support Team, Chase Center, SFPD, FBI, and Golden Gate Bridge Authority) and plan for more complex and collaborative exercises in the months to come. There have been disappointments too. With the federal government shutdown, all our planning to host the Navy service men and women during FLEET WEEK at Treasure Island Training Facility was cancelled.

Instead of shutting down, we focused our efforts on our own members. Special Operations has completed the new rope rescue equipment training with both rescue squads. The CMC Clutch is now part of the standard operating procedures. I have started the same process of integrating new equipment with both Station 14 and 19 with their respective Cliff Rescue units. It is my hope to complete this by end of year.

In the field of Auto Extrication 101 for truck companies, A/Lt. David Halpin has been training his cadre to be able to teach a standardized method for auto emergencies that is based on our newest training manual. We are moving to a new model where once a week a different truck company will be detailed to DOT to complete this training. This also leaves at least one car out of our 5 monthly allotments for the rescue squad to do a more “advanced drill i.e. car on its side, upside down, etc” so that they can increase their proficiency.

The Public Safety Dive training class concluded in October with 12 new divers ready to answer the call. The new divers spent over 40 hours in the classroom, the pool, the reservoir, and the bay honing their search skills and dive patterns. FF Towner, FF Mason, and FF Waterman are our newest SFFD dive masters to certify and be able to conduct in house training of our members. This was their first class since getting the certification.

Helicopter Rescue Program continues to cross train H3 paramedics for both air and water operations. FF/PM Canning has done an excellent job preparing our HRTs for the difficult scenarios that they may face. Special Operations is also conducting HRT Orientations and Operations training with our cliff units for better inter-agency communications and safety.

I would say a highlight of these 2 months was a high angle exercise with our rescue squads over 600’ above the city at Sutro Tower on November 1st. FF Jason Harrell (960 program) had nurtured a relationship with Sutro Tower such that it is our hope to do bi-annual collaborative training at the site. Even the pictures I have submitted for this monthly report does not do the justice of actually being above the clouds and hanging off a rope for a rescue. The feeling and sensation is insanely amazing and humbling at the same time.

Lower in height but just as important on the rope rescue spectrum, FF/PM Canning and Captain Yee (myself) led another Rope Rescue Awareness Operations class to certify another 12 members for California State Fire Marshal class. We both completed our skills task books and are ready to offer this training to the rest of our department in 2026. We are planning for 4 classes per year going forward as we build our training cadre.

The SFFD hosted a Structural Collapse Specialist level 2 Class where NCRT trained 15 of our members in the art of breaching, lifting, and supporting large concrete structures and compromised buildings. SFFD members from both RS1 and RS2 got a chance to work together all week long solving rescue scenarios. I hope to design drills in the future that also emphasizes this invaluable team building experience.

On November 18th, Special Operations was able to plan and coordinate a Hazmat drill with the 95th Civil support team and the FBI at our own Treasure Island Training Facility. B02 and E36 with our SFFD Hazmat team worked on all day scenarios regarding JHAT detection, testing and mitigation. FF/PM Steve Marcotte has been an instrumental part of our Hazmat planning. As the large bay area events such as Superbowl and FIFA Soccer approach, it was a great opportunity for all the Bay Area Hazmat responders to do a test run and learn from each other.

On the fire side, Special Operations facilitated 50' ladder drills at Station 12, audited the Truck Academy skill stations, facilitated LRV orientation and shoring drills with Station 5, participated in a UCSF evacuation drill, and conducted a B06 below grade search and rescue with multiple victims. Next month, Special Operations plans to keep maintaining and working with all our partners who want to conduct valuable training for our members. We will also be introducing and using new equipment called the AquaEye to our Rescue Squads. This promising new technology will hopefully make underwater dive search and recovery faster and safer for our divers. Testing and drills will take place in the 2nd and 3rd weeks of December.

Events and Activities

10/3 UCSF Evacuation Drill with E12, T12 and B05 at Parnassus Crane Construction site
10/3 T14 & T19 Rappelling Operations at Cliff House

In-Service Training, James Draper, In Service Training Captain

October/November 2025 Monthly Report

Continued with live burn at TITF. Rescues, RIC, and Decontamination elements have been added to the evolutions. “Storm stick” training has been widely accepted in the department and is being used in the field. Remote field training continues concentrating on “basics” Ladders and hose leads per fire department training manuals. Truck academy support took place in October. TITF staff checked out multiple sites on Treasure Island to be used as training; however, the final decision was made to build props to order and hold the entire island part of the academy inside the TITF. Hose tender module started up again in November, concentrating on Battalions 7, 8, and 10 where the hose tenders will be housed.

Meetings and Planning

- Continued coordination with firehouse instructors and training teams to deliver daily drills and operations.
- Equipment and prop maintenance including ongoing work on fire simulation burn boxes and vehicle fire props.
- Planning sessions with training leadership to optimize upcoming training academies and specialized training modules for the crew.
- Emphasis on hose tender operations focusing on placement, deployment, and tactical use in varied fire-ground scenarios.
- Live burn exercises continued regularly to maintain proficiency in interior attack and fire behavior understanding.
- Inservice team focused on field training activities, ensuring firefighters meet operational standards and safety protocols.
- Haz-Mat training with the 95th CST and FBI. Structural collapse class, and Rope Rescue Awareness classes.

Training

Hose Tender, Ladders and Hose Leads, Live Burn, and Forcible Entry training continue through the month.

DRILLS AND INSTRUCTION FOR THE MONTH

MEMBERS TRAINED

TRAINING HOURS

Hose Tender	473	2,838
Return to Duty Training	19	57
In-Service Field Training	258	1,548
Live Burn TITF	225	1,290
Total	975	5,733

Additional Work Performed:

Regular facility Maintenance

Metal cutting props for circular saws construction continues..

Continue next hose tender module prep for 2026, Multi floor working fire. Will include rescue and RIC elements

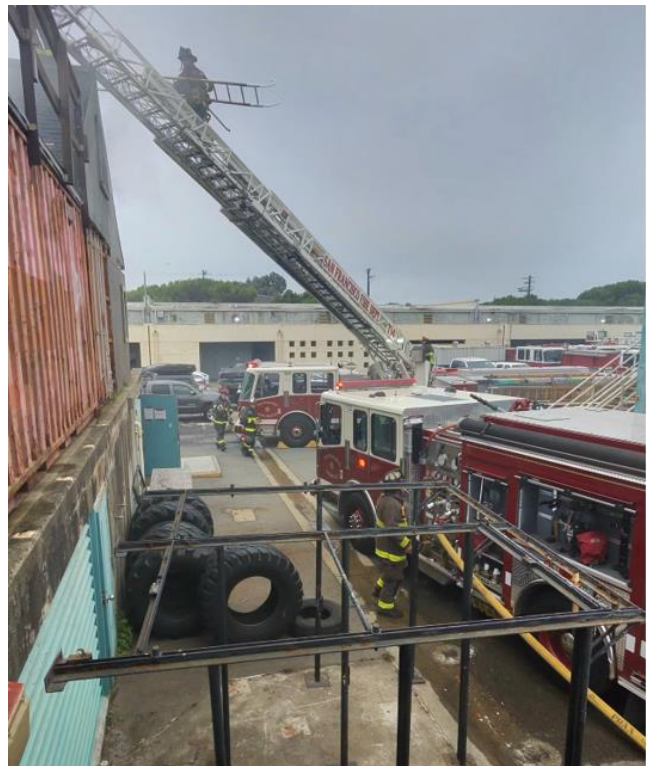

Continue restoration process of 65 'extension ladder and 32 'straight ladder.

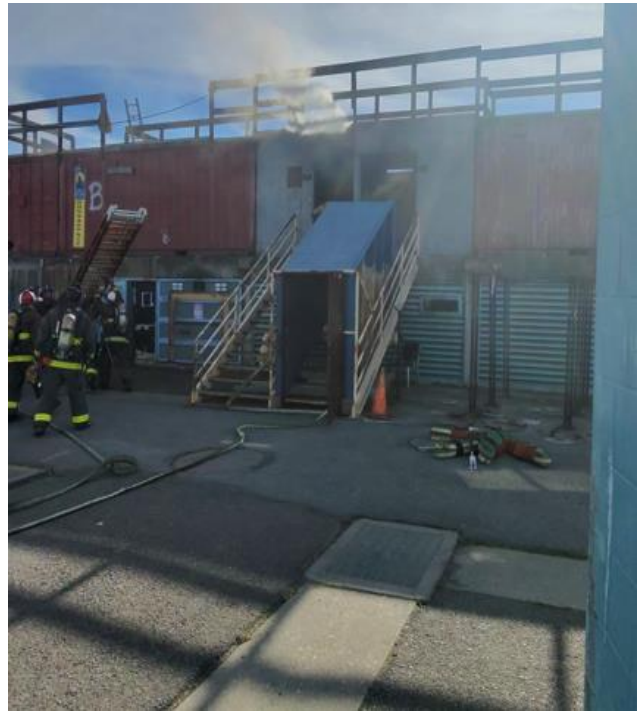

Recycling continues of metal and wood used in training props

Completion of 1500 pegs for forcible entry doors

Sky-Trak forklift and Oyster forklift were both serviced

Auto Extrication Drills, Alan Camarillo, Training Lieutenant

October/November 2025 Monthly Report

1. General Order 22 A-127, Enclosure (K) states that every Saturday one Truck Company and one Rescue Squad must report to the Division of Training for Saturday Auto Extrication Drills. There is a schedule of which companies are due.
2. There were four (4) scheduled training days in the month of **October 2025**, and five (5) training days in **November 2025**, at the Division of Training-Folsom Street Location.
3. The following Companies were due to attend training in October and November with safety measures in place:
 - 10/04/2025, Truck 06, Rescue Squad 2
 - 10/11/2025, Truck 07, Rescue Squad 2
 - 10/18/2025, Truck 08, Rescue Squad 1
 - 10/25/2025, Engine 09, Rescue Squad 2

 - 11/01/2025, Truck 10, Rescue Squad 1
 - 11/08/2025, Truck 11, Rescue Squad 2
 - 11/15/2025, Truck 12, Rescue Squad 2
 - 11/22/2025, Truck 13, Rescue Squad 1
 - 11/29/2025, Truck 14, Rescue Squad 1
4. Extrication vehicles were designated with Truck identifier and date of scheduled training. Each Truck got half a vehicle leaving one vehicle for impromptu training on a first come first serve basis.
5. A total of Five (5) L1-Vehicles is the standing order for the number of vehicles delivered to Division of Training- Folsom.
6. Saturday Auto Extrication Drills were suspended beginning 11/7/2025 to allow for the vehicles to be used by the Auto Extrication Training Group on the following dates: 11/7/25, 11/10/25 and 11/20/25.

Probationary Training, Alan Camarillo, Training Lieutenant

October/November 2025 Monthly Report

1. This is the Monthly Report for The Division of Training- Folsom, for the month of October 2025:
 - a. Monitoring 98 Probationary Firefighters in the field.
 - b. Class 133rd completed 1-Year Testing.
 - c. Class 134th completed 1-Year Testing.
 - d. Class 134th and 135th completed Pump and Aerial Testing in their respective assignments with the exception of the following:
 1. One- 134th member delayed due to return from injury
 2. Two- 135th members delayed due to return from Leave
 - e. Class 134th and 135th completed Cones Testing in their respective assignments with the exception of:
 1. One- 135th members delayed due to Return from Leave.
 - f. Class 134th and 135th completed DMV Pre-Trip and Road Evaluations.
 - g. Reviewing Monthly Probationary Reports and documenting any issues.
 - h. CJAC log updated.
2. Oversee practice of evolutions and documentation of but not limited to pump/aerial test, pre-trip inspections and hose leads, driving and knowledge of firefighter duties of probationary firefighters.
3. Maintain and inspect all equipment and apparatus and make appropriate notifications if necessary.

1. This is the Monthly Report for The Division of Training- Folsom, for the month of November 2025:
 - a. Monitoring 98 Probationary Firefighters in the field.
 - b. Class 134th completed 1-Year Testing.
 - c. Class 135th completed 6-Month Testing with the exception of:
One member delayed due to Return from Leave.
 - d. Class 134th and 135th completed Pump and Aerial Testing in their respective assignments.
 - e. Class 134th and 135th completed Cones Testing in their respective assignments with the exception of:
One- 135th members delayed due to Return from Leave.
 - f. Class 134th and 135th completed DMV Pre-Trip and Road Evaluations.
 - g. Class 134th completed probation with the exception of those delayed due return from injury, leave, etc and are extended accordingly.
 - h. Class 134th received their First Vacation Relief Assignments.
 - i. Class 135th received their Second Probationary House Assignments with the exception of:
One member delayed due to Return from Leave.
 - j. Reviewing Monthly Probationary Reports and documenting any issues.
 - k. CJAC log updated.
2. Oversee practice of evolutions and documentation of but not limited to pump/aerial test, pre-trip inspections and hose leads, driving and knowledge of firefighter duties of probationary firefighters.
3. Maintain and inspect all equipment and apparatus and make appropriate notifications if necessary.

Fire Reserve Captain Grant Martin teaches students at Beth Shalom Preschool about Firefighters.

Neighborhood Response Team (NERT), RC Brandon Tom

September 2025 Monthly Report

NERT is a free training program for individuals, neighborhood groups and community-based organizations in San Francisco. Through this program, individuals will learn the basics of personal preparedness and prevention. The training also includes hands-on disaster skills that will help individuals respond to a personal emergency as well as act as members of a neighborhood response team. San Francisco is made up of many neighborhoods. NERT trains San Francisco residents to be one ready community when it counts. Together NERT can create a lifeline between your family and neighbors, and the City's emergency responders.

Projects and Short-Term Plans

- Spend FY17NACCHO Grant
- Develop Protocol for possible ICE engagement
- Prepare for Listos! expansion due to interest/demand in Spanish Speaking community, source materials, instructors, etc. Listos class was very well received, anticipate demand for courses to increase, more in-depth topics (first aid, CPR training, curriculum delivered in Spanish) – NEED more books
- Continue working on creating/scheduling of SF Ready and NERT Basic for Calendar Year 2026
- Integrate NEW ID Badge System with NERT Member App
- Start Preparation for April Citywide Drill 2026
- Revise Student Manual – last update 2020
- Revise Amateur Radio Band Plan
- Update NERT Web Page

Challenges

- APEX software, AKA NERT Member App, has ongoing bug reports. A dedicated SFFD IT Team should be put in place
- Fire MIS has not returned multiple requests for guidance in APEX
- NEED more training equipment. The lifespan of equipment has been reached.
- ACS/NCT Training
- IT Support for Hardware and Software

DATE	EVENT NAME	EVENT DESCRIPTION	# OF PARTICIPANTS	# OF NERT STAFF	MISC. NOTES
