SFFD & Local 798 Turnout Press Conference

Received a grant from FEMA AFG for
\$2,557,647

Received 1,100 coats, and 580 pants;
given to the 136 class. Starting to hand
out to field.

June 2026 - end date for compliance with
legislation. Working on finding funding to
purchase additional turnouts

We still need to order an additional 1,900
coats and 2,420 pants at an approximate
cost of \$6.9 million

Thank you to Local 798 for their advocacy
to get us to this incredible milestone
which will impact not only our department
but the fire service as a whole.
